## Vision

Equipping Kingdom Leaders for Global Impact

## Mission Statement

At **Abundant Life School of Ministry (ALSOM)**, our mission is to equip believers to answer God's call for cutting-edge leaders in global evangelism. The Great Commission in **Matthew 28:19-20** is our guiding mandate, urging us to raise leaders who will take the message of Christ to the world.

We prepare skillful leaders for the global harvest, fostering a holistic 21st-century biblical worldview that makes the Christian witness relevant to all people, in every demographic. Our students will develop a solid foundation for approaching life's most pressing issues with biblical solutions.

In a rapidly changing world, ALSOM embraces an innovative approach: you can pursue ministerial training without disconnecting from your daily work, family, or church responsibilities. Ministry is not confined to the church walls—it extends to the marketplace, workplaces, and every sphere of influence.

We believe ministry reaches far beyond pastoral roles, impacting every sector of society—whether in orphanages, street revivals, supporting single parents, seniors, hospitals, prisons, or community development. ALSOM prepares students to understand their unique gifts and apply them wherever God has called them to serve
